1:00) Contemporary  
Worship

## Kettering Worship Survey

### 2. Preferences

**9. If you could choose only one, which "style" of worship would you prefer?**

- Traditional (hymns, "small church")
- Contemporary (worship band, informal)
- Classical ("high-church", classical music)
- Blended (high and low, classical and contemporary)
- Variety (a different style of worship each week)

## Kettering Worship Survey

### 3. Recommendations

**10. What do you think the church should do about worship?**

- Do separate worship services to meet individual preferences
- Do one blended service to keep everybody together
- Do one kind of worship service and let those who don't like it find another church
- Do whatever best meets the needs of our youth
- Do whatever will best attract lost people to Christ
